

This Software and Services Agreement (the “**Agreement**”) applies to and governs access to and use of the standalone PulsePoint AED System (without use of the corresponding PulsePoint Respond System) and is entered into between the PulsePoint Foundation, a California 501 (c)(3) non-profit corporation, (“**The Foundation**”), and the contracting entity (“**Customer**”).

1. PULSEPOINT AED (System)

1.1 Licensed Software. The Licensed Software (as hereinafter defined) is a software-as-a-service (“**SaaS**”) that collects and manages AED location information so that emergency responders, including nearby citizens trained in CPR and off-duty professionals, can find an AED close to them when a cardiac emergency occurs. The primary purpose of the Licensed Software is to: (1) provide administrative control over a community’s Public Access Defibrillation (PAD) program, (2) provide individuals the ability to report and update AED locations via mobile applications, (3) make AED locations and other device details available to emergency dispatchers allowing them to direct callers to nearby AEDs, and (4) provide an application program interface (API) allowing PulsePoint partners, such as computer-aided dispatch vendors and emergency medical dispatch solution providers, to programmatically access AED information stored in the registry for emergency use. (the “**Licensed Software**”). The Foundation owns all rights to the Licensed Software.

2. SYSTEM SERVICES.

2.2 System Support. The Foundation provides web-based, email, and telephone System Support (collectively, the “**System Support**”) at no additional cost to designated contacts of Customer. System Support consists of help with System navigation or troubleshooting arising from the use of the System, as designed. System Support excludes supporting Customer procured hardware, operating systems, and Internet connectivity.

2.2.1 Web-based System Support is provided through web-based, self-help educational resources available within the System 24/7/365. The Foundation provides numerous educational resources which should be used before requesting email or telephone System Support. These include user guide(s), training videos, and frequently asked questions (**FAQs**).

2.2.2 Tiered email and telephone System Support is available to supplement Web-based System Support. The Foundation’s Support Center is staffed during prime Customer business hours, Monday – Friday, 7AM – 6PM PT, excluding major holidays.

During “non-prime” hours (6PM – 7AM PT Monday – Thursday, and 6PM CT on Friday through 7AM PT the following Monday, and on major holidays), inquiries regarding major system outages are supported by technical staff. General support inquiries started outside of prime hours will be addressed the next business day.

3. CUSTOMER REQUIREMENTS.

3.1 Named User Identification and Authentication. The System requires a unique user name and password for the individual Customer representative (“**Named User**”) to access the System. Customer is responsible for administration and management of the Named User account, including the appropriate technical and administrative safeguards to prevent unauthorized access. The Foundation shall have no responsibility for unauthorized access to Customer’s data or Confidential Information (as hereinafter defined) that results from Customer’s failure to prevent unauthorized access.

4. LICENSE AND FEES.

4.1 License. Subject to the terms and conditions of this Agreement, The Foundation hereby grants to Customer a non-exclusive, non-transferable (except as provided in this Agreement) license to use the System for lawful business purposes.

4.2 Fees. The Licensed Software is provided free of charge.

5. TERM AND TERMINATION.

5.1 Termination. Either party may terminate the Agreement upon the other party’s material breach of this Agreement, if within 30 days of receipt of written notification of breach; the breaching party has failed to cure its breach. The Foundation may terminate service immediately upon Termination of the Agreement.

Notwithstanding anything in this Section 5 or in this Agreement to the contrary, Customer may terminate this Agreement and Customer obligations hereunder, without cause, for any reason, or for no reason, and in Customer's sole and absolute discretion.

Upon Termination, all of Customer's licenses and rights to the System shall terminate, and Customer shall immediately cease use of the System.

Customer agrees to notify The Foundation promptly of the unauthorized possession, use, or knowledge of any item supplied under this Agreement and of other proprietary information made available to Customer under this Agreement, by any person or organization not authorized by this Agreement to have such possession, use or knowledge. Customer's compliance with this subparagraph 6.2 shall not be construed in any way as a waiver of The Foundation's right, if any, to recover damages or obtain other relief against Customer for its negligent or intentional acts in regard to The Foundation's proprietary rights, or for breach of Customer's contractual obligations under this Agreement.

6.3 Remedies. If Customer attempts to use, copy, license, sub-license or otherwise transfer the Licensed Software or access to the System supplied by The Foundation under this Agreement, in a manner contrary to the terms of this Agreement or in competition with The Foundation or in derogation of The Foundation's proprietary rights, whether or not these rights are explicitly stated, determined by law, or otherwise, The Foundation shall have the right to obtain injunctive relief enjoining such action, in addition to any other remedies available to the Foundation under this Agreement, applicable law or in equity. Customer acknowledges that monetary damages would be inadequate.

6.4 Infringement Indemnification. The Foundation shall indemnify, defend and hold harmless Customer from and against any and all loss, cost, damage or liability, including reasonable attorneys' fees and expenses, arising out of or relating to any claim or cause of action for patent, copyright, and/or other intellectual property infringement (each, an "**Infringement Claim**") asserted against Customer by virtue of the System, Software or documentation or Customer's use or possession of the System, Software or documentation pursuant to this Agreement. The Foundation shall defend or settle at its sole expense all suits and proceedings arising out of the foregoing; provided that Customer gives The Foundation prompt notice of any such Infringement Claim of which it learns. In all events, Customer shall have the right to participate at its own expense in the defense of any such suit or proceeding through counsel of its own choosing.
